

**Exhibitions & Education Department
Internship Application Form**

Thank you for your interest in the Exhibitions and Education Department internship opportunity at MOCA. Currently MOCA only offers unpaid, volunteer internships through the department. However, most colleges and universities offer school credit for MOCA interns. Our departmental staff will work with advisors and/or faculty on drafting relevant independent-study or work-study curriculum.

Please thoroughly research the Museum and its exhibition and education programs prior to applying, as we receive numerous submissions.

Submit this form, along with your current resume, and a letter of interest detailing why you would like to work with our department to: Alison Byrne, Director of Exhibitions and Education, MOCA, 2200 Parks Avenue, Virginia Beach, VA 23451.

Name: _____

Address: _____

Phone: _____ E-mail: _____

School: _____

School Address: _____

School Phone: _____
